To Whom It May Concern:

It is my pleasure to write a letter of recommendation for Cooper Rothe. He is a great football player, an outstanding student, and a no-risk addition to any team that he joins.

Cooper Rothe is the best cornerback I have ever coached and an excellent kicker. I say this because Cooper can play run or pass equally well, because he is a leader, and because he has a unique ability to find the ball in the passing game. Cooper played man coverage for us with little help for almost an entire season. He is an outstanding corner. To add to this Cooper is an excellent field goal kicker and can put kickoffs into the end zone with great consistency.

Cooper is an outstanding student. This is easily assessed. His GPA is above a 4.0 and this has always been the case. He will be taking the ACT soon.

Cooper is a no-risk addition to any team he joins. I say this to let coaches know: He will be at meetings, at workouts, in study sessions, and at practice ON TIME. He will give GREAT effort and he will BE COACHABLE.

I recommend Cooper Rothe without reservation.

Sincerely,
