I have coached Cooper Rothe for 2 years now. Cooper has a unique ability to balance 3 sports and still be successful in the Kicking game. Cooper is very accurate on field goals and routinely kicks touchbacks.

I have been coaching kickers and punters for 8 years and have coached 15 + kickers who have gone on to play collegiate football. Having played at the Division 1 and professional level, I know what it takes to make it to the next level. I only recommend kids that I know for sure have the ability to play Division 1.

Cooper is one of the most talented kids that I have worked with. He is very coachable, learns very quickly and has great athletic ability. One of the first things that I look for when projecting a kicker's ability at the next level is athleticism...

Cooper is the most athletic kid I have worked with and combining his work ethic I see him with Division 1 potential. Not only is he a good athlete but he excels in the classroom. I would recommend Cooper to any coach looking for a kicker.
